- A couple of the POCA members attended the event
- The P72 "Pantera" was being shown / marketed
- Comment was it attracted considerable attention including press attention
- Price was set at \$1.82 million

- Will be in Reno

2025 Fun Rally

- Looking for chapter(s) to host the 2025 rally
- Rally should probably be in the West as 2/3 of the membership is in the Western states – WA, OR, CA, AZ, UT, NM
- Noting that the second year is usually logistically easier since the parties are known at

the hotel, etc., the organizing chapter can opt for 1 or 2 hosting years

- The rally location need not be near a race track for track days (POCA cannot afford the track day expense or be exposed to the liability)

International DeTomaso Owners Club (IDOC)

- Scott Martin (POCA president) sent draft IDOC Bylaws to chapter presidents for review and comment
- There are 6 DeTomaso clubs in the world (POCA is one of the six)
- Goal is to formalize IDOC by the end of the year
- Factory is interested in supporting IDOC
- Considerable discussion ensued about the organizational structure of IDOC between Mike Thomas (I think) and Scott Martin
- Bottom line – each of the six world clubs would have one vote even though POCA is by far has the largest membership
