b. President's Report - Glen -

- 1/ *Christmas Brunch was great. Good turnout and people loved the trivia and raffle. I'm a bit disappointed with the venue. Seems like every year we get a little less. Service was just OK, and food service was pretty lame. We're a regular customer, we deserve better. We need to research costs, this is a big loss. Need to put invitation into POCA publications next year. Paid for 57 people, 44 attended.*
- 2/ *Trivia was great, suggestions: we break into individual questions, less technical, something for the wives.*
- 3/ *Raffle is always a hit. There was some confusion in ticket collections. We may want to use the yellow tickets for the special prizes.*
- 4/ *Gondola was a great event! We had 6 late cancels that left 2nd boat empty. We need to tighten up rules for next year to avoid loss. Paid for 2 boats for 22 people, 16 attended.*
- 5/ *We need to get a calendar going for next year. POCA's waiting and I'm late. I haven't made any contact with Full Throttle for an open house event. I'll check with Greg. Also PI Motorsports?*
- 6/ *I really want a Valentine's event and I'm trying to find a location. Strawberry Farms?*
- 7/ *I'm anxious for another trip to Lions Museum, maybe with the lunch option. They have some new displays.*
- 8/ *I'm not big on returning to slot car track, but open if others like it.*
- 9/ *We need to set up a tech session. We could meet most anywhere and help check numbers for the registry. For those whose cars won't be there, we can train them on where to find all the numbers. Hoping it will help people get out and motivated.*
- 10/ *We need to do some driving events like the recent Deer Park run.*
- 11/ *We still need to make a NHRA Museum trip.*
- 12/ *I really want to do a Palooza this year. I'd like something like Foothill's event, with something like a potluck or BBQ hot dogs. Mason Park is still good, but we could look at options. Prado Dam looks pretty good. Roughly the same distance from central OC. Much larger more open area. We could rent a shelter with power, BBQ, etc. San Bernardino County Regional Parks (sbcountyparks.com)*
- 13/ *Budget concerns: we can still discuss balance goal. Losses for December events shows need for some balance for when we mess up. We need to work on not messing up. Next Gondola we should insist on pre-paid, no refunds. Biggest cost overages on Christmas Brunch are for required extra seats?*
- 14/ *Still think we need to try something to get better attendance at meetings. Current day/location is not working. I would like to find a spot for a Saturday morning meeting opt.*
