**Belmont Shore** is always a good place to show our cars to the general public.

Ron White leads the row. Shown here are the Robert's car then Culpepper and Kunishige's.

**Sam's B-day** hosted by Doc Stewart was the event for just plain fun. Smiles went with full stomachs, as the faire was a plenty. I shunned the open mic sessions but there were many singers to reclaim old hits.

**Reminders:** from [rkunishige@hotmail.com](mailto:rkunishige@hotmail.com). Everyone with an interest in DeTomaso cars is always welcome.

Oct 23-24 **Willow Springs** Open Track days is where we mix it up with Porsche and F cars at Willow Springs Raceway in Rosamond, California just north of Lancaster. Here you can run your car regardless of make or model at speeds on a closed course known worldwide. Big bore machines of the CanAm series were right at home here so our Panteras are well suited with their big torque engines to power out of the high speed turns and onto the long straights. Just contact Jim Saxton, long time TPOC member, at 626 285-2515 [Jim@westcoastracinginc.com](mailto:Jim@westcoastracinginc.com) for details and an application. An optional performance seminar is offered for personal instruction including how to make setup changes to your car like tire pressure, shock and spring adjustments.
