May 2016

Adlers hosted a grand tour of cars, property and extended hospitality that screamed class. We were greeted with a huge banner and walked into the living room to find the very first DeTomaso car, a 1959 Formula 2 that according to Dave is hellish to drive. Its steering range is inadequately short so the driver needs to swing the rear end around to make every corner. This was often the driving style of early rides and now current rally cars. They slide the rear end as a short cut, not an integral part of just making a turn. Trail braking is the term used to swing that rear quickly. Pictured below are Adlers' Mangusta and Pantera (Whiplash) racecar. We then had a nice jaunt through the roads to the nearby Lazy H restaurant. Its cozy atmosphere of old collectables fit nicely in the country setting. Some of the San Diego Pantera members were welcome guests. Everyone agreed that to set up another return in a few years is a must. Dave and Linda, well done.

Attendees from memory were Gary Hirschberg, Roger Banowetz, Judy McCartney, Brad Johnson, Tom Gorney, Gayle Huff, Al Chelini, Dan Pedersen, Scott Couchman, Bob Singer, Bruce Lee, Alexander Lee, Cindy and Bill Harris. Others included were John Buchman, Kathy Buchman, Marshall Smith, Ed Mendez and his mother. (Please forgive me if I have forgotten...)

Valentine's Day help is needed. Gayle and Gary are looking for another site for this yearly gathering. Call them if you know of a suitable one.
