October 2016

**New Adler book is underway** with the announcement seen below. But, they got an interesting interview while in Monterey that warrants your read. Please see the attached article.

Tom Tjaarda is helping Linda and Dave Adler with their new book, *Extreme Panteras* that is coming out in 2017. While Tom was in Monterey in August, he sat down for an interview with the Adlers. Tom is recovering from chemotherapy treatments and his prognosis looks encouraging. Tom was the featured speaker at the PCNC Banquet, invited guest at the Concorso Italiano, Pebble Beach Concours Judge and also a guest at the Quail event. His accomplishments are many. He is the most down-to-earth person we have met that is connected to the Pantera's history. He is a true role model for us. We are very fortunate to have been able to spend three days with him during his stay in Monterey. Thank you, Dave and Linda Adler
