## Pandemic Edition #3

Welcome OCP members!

Are we there yet?

I'm getting tired of this whole thing!

I hope you are all safe and well during stay  
at home.

While most things are in flux, your board of  
directors is still working to keep OCP  
moving forward through changing times.

Do you have any ideas, suggestions, or  
input to help us help you?

---

Board meetings are the first Monday of the month, and any member is invited to attend and speak.

Currently BOD meetings are being conducted via conference call.

If you want to sit in or speak, please contact myself, or John Maloney

Glen Chancellor [racerglen@aol.com](mailto:racerglen@aol.com)

John Maloney [jgmaloney@roadrunner.com](mailto:jgmaloney@roadrunner.com)

If you wish to speak, we need advance notice to put you on the agenda.

Do you have ideas for meeting site(s)?

Do you have suggestions?

Day/Time/Place/Format?

Please, help us with your ideas.

You can post on OCP FaceBook page, as  
well.

COVID-19 Masks for men!

I'm running out of content for the newsletter.

We hope to start some events fairly soon.  
We have been researching options as things open  
up.

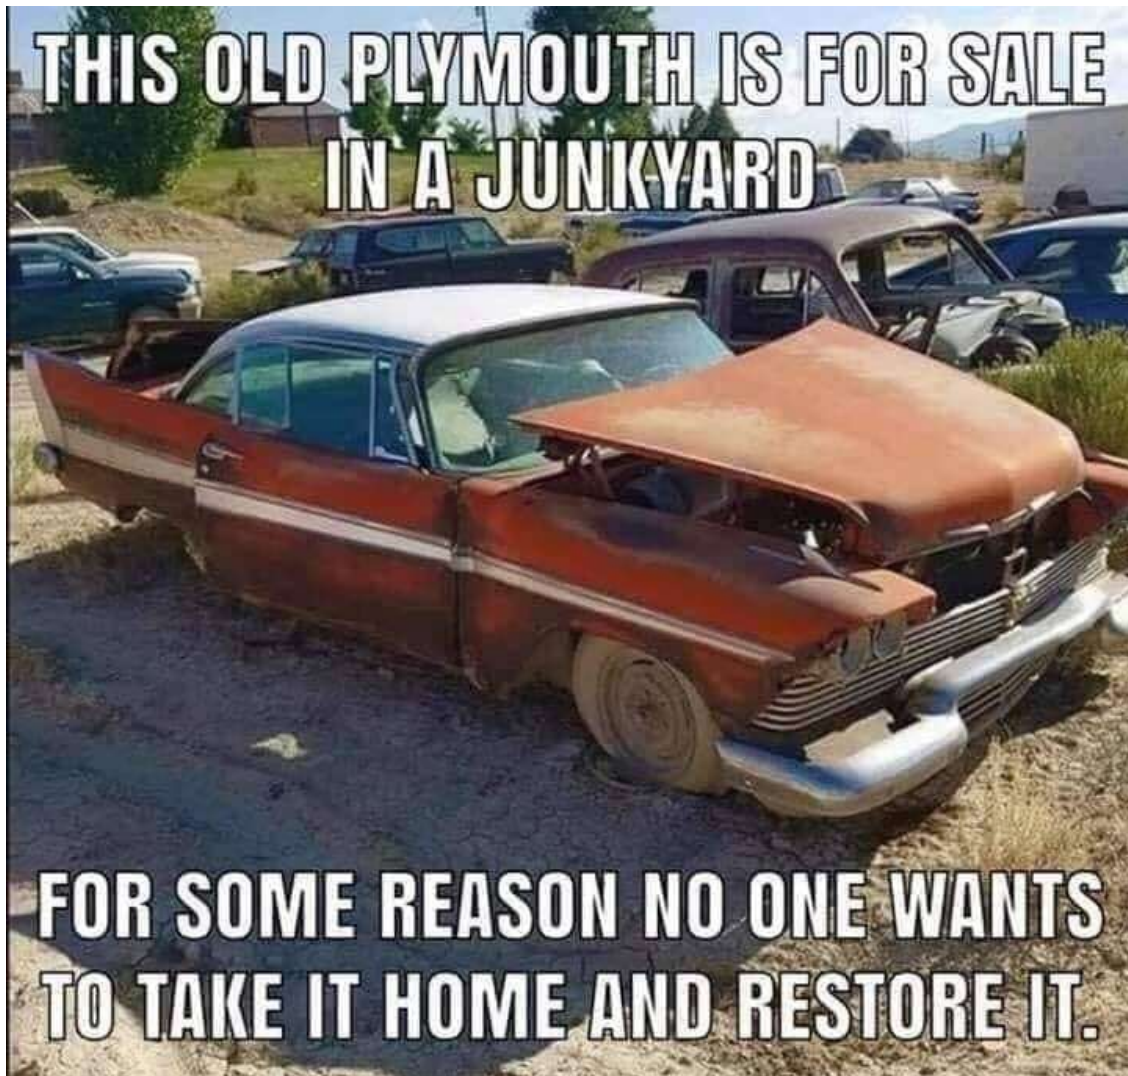

Looks like many cars & coffee shows have  
restarted.

Are the restrooms open yet?

I'll publish our calendar as soon as we can start  
confirming events.

Please, visit [the Orange County Panteras FaceBook page.](#)

I have recently taken charge of the page, as it had

---

been managed by POCA.

We now have more local functionality.

Please, feel free to post and communicate via our  
FB page.

No Politics, please!

Watch for recent updates to club functions.

Sad News.

OCP member Dr. Nick Begovich has found 6th gear  
and shifted into Heaven at age 98-1/2.

I did not know the Dr., but a Pantera guy at 98-1/2  
sound like a life well lived!

All our best wished to the family.
