==> Candidate Biographies

Each of the candidates have provided a biography highlighting
their ownership of a Pantera and their involvement with OCP
(Orange County Panteras) and POCA (Pantera Owners Club of
America).

Glen Chancellor - President - Pantera owner and POCA member
for 16 years. OCP newsletter editor, OCP Face Book editor. The
chapter has done well without a President, as the board has
worked well as a group. With changing times I feel we do need a
President, at least as a point of contact. I will step up for that

position. We are one of the most active POCA chapters. I would like to help keep it active as we navigate the challenges and opportunities the next year will bring.

-

Bob Singer - Treasurer - I have been a member of POCA since August 2001. I have held the position of Member at Large and Treasurer for the past 18 years.

John Maloney - Secretary - Owner since 1975 of Pre-L 1972 yellow perl Pantera #3269, restored to near original appearance, in 2013. Member of POCA and OCP/TPOC since 2013. OCP/TPOC Secretary since 2016. Updated the OCP Bylaws for clarification of TPOC objectives in 2017 and chapter name change to OC Panteras in 2019. Conducted OCP Board Meetings since 2019.

Greg Ford - Member at Large - Owner of a 1972 Pantera for 26 years and member of POCA and OC Panteras for 26 years. Have been the chapter's webmaster for the past 8 years. Member of the Board for the past seven years and an organizer for our Pantera Palooza for the past 5 years.

Larry Goodnough - Member at Large - I joined the OC Panteras in November 2019. Owner of a yellow Pre-L Pantera #3648 since 1986. I will work with the Board to promote OC Panteras to the Southern California car culture, by getting more OC Panteras on the roads and attending more car events. If elected to the Board, I will do all I can to help and promote OC Panteras.

10 from San Diego chapter.

Calendar is still working on current events.

We have had to reschedule the Pantera Palooza

Unfortunately, our annual Christmas Brunch

The changing COVID situation and regulations
prohibited a safe and comfortable event.
