President's Message

Thank You all for your support of Orange County

Panteras.

I am still looking for feedback and ideas to get more of our cars on the road.

Made some progress on mine, how about you?
I had to 2 surgeries in July that sidelined me, but I'm back on it.

Took the top end of the motor apart today.

Other POCA chapters are reporting about 50% of their member cars are on the road.

Many cars at recent sales are going into collector status.
We got to get our cars going!

We had a long term POCA member, Fritz Kimber pass away recently, Leaving his Pantera to family in Texas. They came out expecting to wash the car and replace the battery. They found the usual "basket-o-Pantera" This is happening far too often! Please, let's help get our cars on the road!

We had 22 attend our Panteras at the Marconi event.
Great Venue!
